Take a few minutes to be #Proud to be #Irish. We always remembered this sporting montage from our youth (might've been from a sporting year awards ?) but we thought it was time to add some more memorable moments. Enjoy ... for a small country we punch way above our weight and compete at the highest level across so many sporting fields ... To paraphrase a famous Jimmy Magee commentary, we're a Little Country With A Great Heart ? #Ireland #Sporting #Moments #Proud #IrishAndProud
